Posa corretta

Posa  
sconsigliata

Durante la posa avvicinare sempre i vertici delle piastrelle, non facendole mai coincidere con la metà dell'altra.

When setting the tiles, always make sure the corners meet, never staggering or arranging them irregularly.

Pendant la pose, rapprocher les sommets des carreaux en ne les faisant jamais coïncider l'un avec la moitié de l'autre.

Die Fliesen sollen nur gerade verlegt werden. Halbverband ist nicht zu empfehlen.

Evitar la colocación a junta trabada.

## CONDIZIONI GENERALI DI VENDITA

- 01. NORMATIVA CONTRATTUALE:** Le presenti condizioni generali, salvo modificazioni o deroghe concordate per iscritto, disciplinano tutti i contratti di vendita fra Kronos e l'Acquirente. Le variazioni delle condizioni generali di vendita, le offerte, gli accrediti o gli abbuoni accordati dai nostri agenti o altri intermediari, non sono validi se non accettate per iscritto dalla nostra sede.
- 02. OGGETTO DELLA FORNITURA:** La fornitura comprende solamente i materiali, le prestazioni ed i quantitativi specificati nella nostra conferma d'ordine. Il testo della conferma d'ordine Kronos prevarrà in ogni caso sul testo difforme della eventuale offerta o della ordinazione.
- 03. CONFERMA D'ORDINE:** Qualora nella conferma d'ordine Kronos esistano differenze nei singoli elementi che la compongono rispetto alle intese od alle ordinazioni, l'Acquirente che non abbia contestato per iscritto entro 7gg dalla ricezione della nostra conferma s'intende che l'abbia accettata così come è stata redatta. Il cliente si impegna a comunicare a Kronos Ceramiche S.p.A. l'eventuale variazione del luogo di destinazione della merce, se diverso da quello citato nella conferma d'ordine, entro e non oltre il giorno previsto per il ritiro presso Kronos, mediante invio, tramite posta o e-mail, dei dati identificativi del destinatario delle merci e del luogo presso il quale dovrà essere effettuata la consegna. In mancanza di tale comunicazione la destinazione originariamente indicata si intende tacitamente confermata.
- 04. PREZZI:** I prezzi indicati sui listini Kronos non sono impegnativi: di conseguenza ci riserviamo il diritto di modificarli prima dell'accettazione dell'ordine. I prezzi pattuiti per ogni singola vendita si intendono al netto, per contanti per consegna franco stabilimento, salvo diversa pattuizione scritta. Se fra la data di ordinazione (anche dopo la conferma d'ordine) e quella di consegna si verificassero aumenti nei costi delle materie prime, della manodopera, dei combustibili, nelle spese di produzione, di trasporto ecc., Kronos potrà aumentare il prezzo convenuto dandone comunicazione scritta all'Acquirente anche a mezzo posta elettronica. Tuttavia qualora detto prezzo superi del 20% quello convenuto al momento dell'ordinazione, l'Acquirente potrà recedere dal contratto notificandoci per raccomandata tale sua volontà entro il termine perentorio di 10 gg dal ricevimento dell'avviso dell'aumento di prezzo. In difetto, il nuovo prezzo s'intenderà accettato.
- 05. CONSEGNE:** La vendita è sempre franco stabilimento di Kronos. La merce viaggia a rischio e pericolo dell'Acquirente ed ogni nostra responsabilità cessa con la consegna al vettore, nei confronti del quale l'Acquirente, effettuate le opportune verifiche, dovrà sporgere eventuali reclami. Le spedizioni, via mare o via terra, concernenti forniture sull'estero, vengono effettuate in base alle condizioni scelte di volta in volta, riportate negli "Incoterms" approvati dalla Camera di Commercio Internazionale.
- 06. TERMINI DI CONSEGNA:** I termini di consegna hanno carattere indicativo: eventuali ritardi nelle consegne, interruzioni, sospensioni totali o parziali delle forniture non daranno diritto ad indennizzi o risarcimento danni se non diversamente concordato per iscritto.
- 07. CAMPIONI:** I dati figuranti nei documenti illustrativi di Kronos, così come le caratteristiche dei campioni e modelli da quest'ultimo inviati l'Acquirente, hanno carattere di indicazioni approssimative. Questi dati non hanno valore impegnativo se non nella misura in cui siano stati espressamente menzionati come tali nell'offerta o nell'accettazione scritta di Kronos.
- 08. PAGAMENTI:** Le fatture di Kronos vengono emesse il giorno della fornitura e devono essere pagate al netto alla scadenza pattuita. Ogni e qualsiasi obbligazione di pagamento tra le parti contraenti deve essere adempiuta presso la sede della Kronos. Eventuali pagamenti fatti ad agenti, rappresentanti o ausiliari di commercio di Kronos non si intendono effettuati finché le relative somme non pervengano a Kronos. Il pagamento dovrà essere effettuato, salvo diverso accordo scritto, contestualmente alla consegna, presso l'Istituto bancario indicato di Kronos. Qualsiasi ritardo o irregolarità nel pagamento dà a Kronos il diritto di sospendere le forniture o di risolvere i contratti in corso, anche se non relativi ai pagamenti in questione, nonché il diritto al risarcimento degli eventuali danni. Kronos ha comunque diritto – a decorrere dalla scadenza del pagamento, senza necessità di messa in mora - agli interessi moratori nella misura prevista dal d.lgs. 09/10/2002 n. 231. In caso d'inadempimento, anche solo parziale, gli interessi moratori sull'importo non pagato decorreranno dal giorno della consegna anche se il termine di pagamento era stato convenuto a data successiva. Nessuna contestazione o controversia inerente alla qualità della merce, a vizi o difetti, o a qualsiasi altro aspetto del contratto, sarà efficace e potrà essere presa in considerazione, e così pure nessuna azione potrà essere iniziata se non dopo l'avvenuto integrale pagamento del prezzo (clausola solve et repete). Non è ammessa compensazione con eventuali crediti, comunque insorti, nei confronti di Kronos.
- 09. GARANZIE E RECLAMI:** La qualità del materiale ceramico è definita sulla base delle vigenti normative internazionali applicabili alla corrispondente classe di prodotto. Kronos garantisce la sola merce fornita in prima scelta. Reclami relativi a merce in scelta differente dalla prima (scelta B, commerciale, seconda, terza, secondaria, stock, etc.) non saranno presi in considerazione, né viene data implicitamente od esplicitamente alcun tipo di garanzia su tali materiali. È fatto obbligo all'Acquirente di verificare la merce in termini di qualità e quantità entro breve tempo dal ricevimento e, in caso di reclamo, darne comunicazione per iscritto entro e non oltre 8 (otto) giorni dal ricevimento stesso pena la decadenza da ogni diritto. Il materiale considerato difettoso dovrà essere tenuto a disposizione di Kronos per le verifiche che riterrà opportuno effettuare; ogni ulteriore azione (restituzione, riparazione o altro) dovrà essere da noi preventivamente autorizzata per iscritto. Reclami e richieste di intervento in garanzia dopo la posa in opera non saranno presi in esame nel caso in cui il difetto contestato dovesse risultare palese (es. sbeccate, difetti dimensionali, differenze di tono, ecc.). Si precisa che la prima scelta può contenere piastrelle difettose nel limite del 5% e che la tonalità del materiale fornito può differire dal campione esposto, essendo la ceramica intrinsecamente variabile come aspetto. I reclami imputati a difetti o vizi occulti dovranno essere formalizzati per iscritto entro 8 (otto) giorni dalla scoperta e, in ogni caso, entro un anno dalla consegna, pena la decadenza da ogni diritto alla garanzia e di risarcimento. La comunicazione dovrà contenere, oltre i dati di fatturazione, una precisa descrizione del vizio, un preventivo dei costi di riparazione o modificazione del prodotto; in mancanza di questi dati il reclamo si considera nullo. Qualora il reclamo dovesse risultare infondato l'Acquirente dovrà risarcire Kronos di tutte le spese sostenute per l'accertamento (viaggi, perizie, ecc.). L'obbligo di Kronos è, in ogni caso, limitato alla sostituzione dei soli pezzi difettosi o alla riparazione, con espressa esclusione di ulteriori diversi indennizzi quali, a titolo indicativo ma non limitativo, per costi di rimozione e sistemazione di mobili, attrezzature, macchinari ecc., mancati guadagni per interruzione o sospensione di attività, disagi, danni indiretti ecc. La presenza di piastrelle difettose non inficia la qualità dell'intera fornitura né comporta l'obbligo della integrale sostituzione. I limiti temporali della durata della garanzia sono quelli stabiliti dal codice civile italiano.
- 10. RISERVATO DOMINIO:** La vendita della merce viene effettuata con la clausola del riservato dominio; pertanto, nel caso in cui il pagamento, per accordi contrattuali, debba essere effettuato, in tutto o in parte dopo la consegna, i prodotti consegnati restano di proprietà Kronos fino all'integrale pagamento del prezzo.
- 11. CESSIONE DEL CONTRATTO:** L'Acquirente non può cedere la sua posizione nel contratto od in singoli rapporti obbligatori da questo derivanti senza l'accettazione scritta di Kronos: anche in tal caso l'Acquirente rimane comunque solidalmente responsabile col cessionario per le obbligazioni cedute.
- 12. PROPRIETÀ INDUSTRIALE E DISTRIBUZIONE SELETTIVA – LIMITI ALLA RIVENDITA:** Kronos è titolare e legittimo detentore di esclusive relative ai marchi, a disegni e brevetti di invenzione. Al fine di garantire al meglio il rispetto dei diritti esclusivi di Kronos, nonché le aspettative dei consumatori finali in ordine alle caratteristiche qualitative attese, Kronos gestisce le forniture dei propri prodotti mediante un sistema di distribuzione selettiva. Le forniture ricevute da Kronos e dai propri punti vendita selettivi autorizzati sono destinate all'installazione presso l'utente finale e non è consentita altra forma di rivendita a ulteriori intermediari commerciali diversi dagli utenti finali, salvo previa autorizzazione iscritta da parte di Kronos. La rivendita della merce in violazione di tale divieto deve considerarsi pertanto non consentita ed equiparata ad uso illecito dei diritti di proprietà industriale e intellettuale di Kronos, con diritto di Kronos di chiederne il sequestro presso qualunque detentore. Kronos si riserva il diritto di procedere giudizialmente nei confronti di chiunque sia coinvolto in rivendite non autorizzate.
- 13. LEGGE DEL CONTRATTO - FORO COMPETENTE:** Il contratto è disciplinato dalla legge italiana, compresi gli Usi di settore della Provincia di Modena. Per qualsiasi controversia comunque derivante dal contratto di fornitura, tanto da parte di Kronos come da parte dell'Acquirente, è esclusivamente competente il Tribunale di Modena. E' comunque in facoltà di Kronos adire autorità giudiziarie diverse.
- 14. SICUREZZA DELLA CATENA LOGISTICA:** Kronos al fine di garantire la sicurezza della catena logistica internazionale richiede ai propri CLIENTI il rispetto di requisiti standard per garantire la sicurezza delle merci nei rapporti contrattuali e per garantire la loro conformità alla normativa AEO - Operatore Economico Autorizzato - Dogane, in tutta la Comunità Europea. I CLIENTI di Kronos si impegnano a garantire che le merci prese in consegna o consegnate siano spedite o trasportate, immagazzinate, preparate e caricate in locali sicuri e in zone di carico e di spedizione sicure, protette contro manomissioni non autorizzate, utilizzando solo personale interno autorizzato ed opportunamente istruito.

## GENERAL CONDITIONS OF SALE

- 01. CONTRACTUAL REGULATIONS:** These general conditions, subject to modifications or waivers agreed in writing, govern all sales contracts between Kronos and the Purchaser. Variations in the general conditions of sale, offers, credits or allowances agreed by our agents or other intermediaries, are not valid unless accepted in writing by our head office.
- 02. SUBJECT OF THE SUPPLY:** The supply includes only the materials, services and quantities specified in our order confirmation. The text of the Kronos order confirmation shall prevail in any case over any differing text of the offer or order.
- 03. ORDER CONFIRMATION:** If, in the Kronos order confirmation, there are differences in the individual elements comprising it, compared with the agreements or the orders, the Purchaser is understood to have accepted our confirmation as it was drawn up, unless an objection to it is made in writing within 7 days of receipt of it. The customer undertakes to notify Kronos Ceramiche S.p.A. of the place of destination of the goods, if different from the address quoted on the order confirmation. In the case of any variation in the place of destination, the identification data of the destination address for the goods and the place where delivery is to be made must be sent by post, fax or email, before the day laid down for collection at Kronos's premises. If no notification is received, the destination originally shown shall be understood as tacitly confirmed.
- 04. PRICES:** The prices shown in the Kronos price-lists are not binding: we therefore reserve the right to modify them before acceptance of the order. The prices agreed upon for each individual sale are understood as net, for cash and for delivery ex-works, subject to any different written stipulation. If there should be increases in costs of raw materials, labour, fuel, production or transport costs, etc. between the order date (even after the order confirmation) and the delivery date, Kronos may increase the agreed price, giving written notification to the Purchaser also by fax or email. However, if this price should exceed the price agreed at the time of order by 20%, the Purchaser may withdraw from the contract by notifying us by registered letter of his desire to do so within the deadline of 10 days from receipt of the notice of price increase. If he fails to do so, the price shall be understood as accepted.
- 05. SHIPMENTS:** The sale is always ex-works at the Kronos premises. The goods travel at the Purchaser's risk and our liability ends with delivery to the carrier, to whom the Purchaser after performing suitable checks must make any claims that may arise. Shipments by sea or land concerning supplies carried out abroad are performed according to conditions chosen on a time-by-time basis, shown in the "Incoterms" approved by the International Chamber of Commerce.
- 06. DELIVERY TIMES:** Delivery times are by way of indication only: any delays in delivery and interruptions and total or partial suspensions of supplies shall not give rise to an entitlement to refunds or claims for compensation unless otherwise agreed in writing.
- 07. SAMPLES:** The data shown in the Kronos illustrative documents, as well as the characteristics of samples and models sent by Kronos to the Purchaser, is of an approximately indicative nature. This data has no binding value except to the extent to which they were expressly mentioned as such in Kronos's offer or written acceptance.
- 08. PAYMENTS:** Kronos's invoices are issued on the day of supply and must be paid net on the agreed expiry date. Each and every obligation for payment between the contracting parties must be performed at Kronos's head office. Any payments made to agents, sales representatives or assistants of Kronos are not considered to have been carried out until the relative sums have reached Kronos. Payment must be carried out, subject to any other written agreement, at the same time as the delivery, to the bank indicated by Kronos. Any delay or irregularity in payment gives Kronos the right to suspend supplies or to terminate current contracts, even if they do not relate to the payments in question, as well as the right to claim any damages. Kronos is in any case entitled – starting from the payment expiry date, and without the need for notice of default – to the interest on arrears to the extent provided for by Italian Legislative Decree No. 231 of 09/10/2002. In the case of non-fulfilment, even only partial, the interest on arrears for the unpaid amount shall start from the day of delivery even if the payment term was agreed on as a later date. No objection or dispute referring to the quality of the goods or to flaws or defects or to any other aspect of the contract shall be valid and can be taken into consideration; in addition, no action may be started up until after payment has been made of the entire amount of the price (solve et repete clause). Compensation to Kronos, with any credits, however they may have arisen, is not permitted.
- 09. GUARANTEES AND COMPLAINTS:** The quality of the ceramic material is defined on the basis of the prevailing international regulations applicable to the corresponding product class. Kronos guarantees only goods supplied as prime quality. Complaints relating to goods other than of prime quality ("B" quality, commercial, second, third, secondary, stock, etc.) shall not be taken into consideration, nor will any kind of guarantee be given, either implicitly or explicitly, on these materials. The Purchaser is obliged to check the goods in terms of quality and quantity within a short time after receipt and, in the case of a complaint, to give notification of this in writing no later than 8 (eight) days from receipt of the goods; failure to do so will incur the forfeiture of all rights. Material deemed to be defective must be held at Kronos's disposal for the checks that it will consider suitable to carry out; any further action (return, repair or other) must be authorized in advance by us in writing. Complaints and requests for intervention under guarantee after the material has been laid shall not be taken into account if the defect reported is evident (e.g. chips, defects of size, differences in colour shade, etc.). It is made clear that the prime quality may contain defective tiles up to a limit of 5% and that the colour shades of the material supplied may differ from the sample displayed, since ceramic is intrinsically variable in appearance. Complaints attributed to latent faults or defects must be formalized in writing within 8 (eight) days from their discovery and, in any case, within one year from delivery; failure to do so will incur the forfeiture of all rights under the guarantee and to compensation. As well as the invoice details, the notification must contain a precise description of the defect and an estimate of costs for repair or modification of the product; failure to notify this data will cause the complaint to be deemed invalid. If the complaint should prove to be unfounded the Purchaser must reimburse Kronos for all the expenses incurred for assessment (travelling expenses, surveys, etc.). Kronos's obligation is, in any case, limited to replacing the defective pieces only or to repairing them, with the express exclusion of other, further indemnities such as, by way of a non-limiting example, for costs of removing and re-installing furniture, equipment, machinery, etc., or loss of earnings for interruption or suspension of business, inconvenience, consequential damages, etc. The presence of defective tiles does not invalidate the quality of the entire supply, nor does it incur the obligation for its entire replacement. The time limits for the duration of the guarantee are as established by the Italian Civil Code.
- 10. RETENTION OF TITLE:** Sale of the goods is carried out with the retention of title clause; therefore if payment, by contractual agreements, must be carried out wholly or in part after delivery, the products delivered remain the property of Kronos until the entire price has been paid.
- 11. TRANSFER OF CONTRACT:** The Purchaser may not transfer his position in the contract or in individual binding agreements deriving from this without Kronos's written acceptance: also in this case the Purchaser anyway remains jointly liable with the transferee for the obligations transferred.
- 12. INDUSTRIAL PROPERTY AND SELECTIVE DISTRIBUTION – LIMITS ON RESALE:** Kronos is the owner and legal holder of the exclusive rights to brand names, designs and patents. In order to guarantee full respect for Kronos's exclusive rights, as well as the end consumers' expectations with regard to expected quality characteristics, Kronos manages the supplies of its products by means of a selective distribution system. Supplies received from Kronos and from its authorized selective sales outlets are designed for installation at the end user's premises and no other form of resale to further sales agents other than the end users is permitted, unless with Kronos's prior written authorization. Goods that are re-sold in breach of this provision must therefore be considered as not permitted and treated as an unlawful use of Kronos's industrial and intellectual property rights, with Kronos's right to ask for them to be seized at the premises of any holder. Kronos reserves the right to take legal proceedings against anyone who is involved in unauthorized re-selling.
- 13. LAW GOVERNING THE CONTRACT – PLACE OF JURISDICTION:** The contract is governed by Italian law, including the customs of the sector in Modena Province. For any dispute that may in any case derive from the supply contract, either on the part of Kronos or on the part of the Purchaser, the Modena Court has exclusive competence. Kronos nevertheless has the right to resort to different judicial authorities.
- 14. SUPPLY CHAIN SECURITY:** Kronos, in order to grant the security of the international supply chain, kindly asks its CUSTOMERS to comply with the security requirements laid down by AEO - Authorised Economic Operator – CUSTOMS - to safeguard the goods in the European Community during the activities of the forward and reverse flows. Kronos CUSTOMERS undertake to meet the security and safety conditions during the operations of receiving, delivery, distribution, transport and storage, ensuring that the goods are taken into delivery, stocked, transported, prepared and loaded in safe places and in safe loading and shipping areas, well protected against intrusion and manipulation, with the only employ of reliable, authorized and duly trained own personnel.

## CONDITIONS GÉNÉRALES DE VENTE

**01. NORME CONTRACTUELLE:** Sauf modifications ou dérogations convenues par écrit, les présentes conditions générales s'appliquent à tous les contrats de vente entre Kronos et l'Acquéreur. Les variations des conditions générales de vente, les offres, crédits ou réductions accordés par nos agents ou d'autres intermédiaires ne sont valables que s'ils ont été acceptés par écrit par notre siège.

**02. OBJET DE LA FOURNITURE:** La fourniture correspond uniquement aux matériaux, prestations et quantités spécifiés dans notre confirmation de commande. Le texte de la confirmation de commande de Kronos prévaut dans tous les cas par rapport au texte non conforme de la commande ou de l'offre éventuelle.

**03. CONFIRMATION DE COMMANDE:** En cas de divergences des éléments de la confirmation de commande de Kronos par rapport aux accords ou aux commandes, l'Acquéreur pourra formuler une réclamation écrite dans les 7 jours suivant la réception de notre confirmation. Passé ce délai, la commande sera considérée comme ayant été acceptée telle qu'elle a été rédigée. Le client s'engage à communiquer à Kronos Ceramiche S.p.A. l'éventuelle variation du lieu de destination de la marchandise, si différente de celle prévue dans la confirmation de la commande, au plus tard le jour prévu du retrait chez Kronos, par l'envoi, par poste, fax ou e-mail, des données d'identification du destinataire des marchandises et du lieu où la livraison devra être effectuée. En cas de manquement de communication la destination indiquée à l'origine sera tacitement confirmée.

**04. PRIX:** Les prix indiqués sur les catalogues Kronos ne sont pas contraignants : nous nous réservons par conséquent le droit de les modifier préalablement à l'acceptation de la commande. Les prix convenus pour chaque vente s'entendent hors taxes, payés au comptant pour une livraison franco usine, sauf accord contraire stipulé par écrit. Si des hausses du coût des matières premières, de la main-d'œuvre, des combustibles, des frais de production et de transport, etc. apparaissent entre la date de commande (même après la confirmation de commande) et la date de livraison, Kronos pourra augmenter le prix convenu en informant l'Acquéreur par écrit, y compris par fax ou courrier électronique. Cependant, si ledit prix dépasse de 20 % celui convenu lors de la commande, l'Acquéreur pourra résilier le contrat en nous faisant part de sa volonté par lettre recommandée dans un délai préemptoire de 10 jours à compter de la réception de l'avis d'augmentation du prix. Dans le cas contraire, le nouveau prix sera considéré comme ayant été accepté.

**05. LIVRAISONS:** La vente s'entend toujours franco usine Kronos. La marchandise voyage aux risques et périls de l'Acquéreur. Toutes nos responsabilités prennent fin avec la remise au transporteur, auquel l'Acquéreur, après les contrôles de rigueur, devra s'adresser pour d'éventuelles réclamations. Les expéditions de fournitures à l'étranger par voie terrestre ou maritime sont effectuées selon les conditions choisies d'une fois sur l'autre, conformément aux Incoterms approuvés par la Chambre de commerce internationale.

**06. DÉLAIS DE LIVRAISON:** Les délais de livraison sont donnés à titre indicatif : les éventuels retards de livraison, les interruptions, les suspensions totales ou partielles de fourniture n'ouvriront pas droit à une indemnisation ou à des dommages-intérêts, sauf accord contraire stipulé par écrit.

**07. ÉCHANTILLONS:** Les informations reportées sur les documents d'illustration de Kronos, de même que les caractéristiques des échantillons et modèles envoyés par Kronos à l'Acquéreur, sont données à titre purement indicatif. Ces données n'ont aucune valeur contraignante, à moins que cela ait été indiqué expressément dans l'offre ou dans l'acceptation écrite de Kronos.

**08. PAIEMENTS:** Les factures de Kronos, émises au jour de la fourniture, doivent être payées conformément à l'échéance prévue. Toute obligation de paiement entre les parties contractantes doit être exécutée auprès du siège de Kronos. Les paiements éventuels faits à des agents, représentants ou auxiliaires de commerce de Kronos ne seront considérés comme effectifs qu'à compter de la réception par Kronos des sommes dues. Sauf accord contraire stipulé par écrit, le paiement devra être effectué au moment de la livraison auprès de l'institut bancaire indiqué par Kronos. Tout retard ou toute irrégularité de paiement donnera à Kronos le droit de suspendre les fournitures ou de résilier les contrats en cours, y compris ceux qui ne sont pas en lien avec les paiements en question, et de demander le remboursement des dommages éventuellement subis. Kronos peut quoi qu'il en soit prétendre – à compter de l'arrivée à échéance du paiement, et sans nécessité de mise en demeure – à des intérêts moratoires conformément à la loi n° 231 du 09/10/2002. En cas de manquement même partiel, les intérêts moratoires sur le montant restant dû courent à compter du jour de la livraison, même si le délai de paiement convenu est fixé à une date ultérieure. Aucune réclamation ni aucun litige portant sur la qualité de la marchandise, des vices ou des défauts ou tout autre aspect du contrat, n'aura de valeur et ne pourra être pris en considération, de même qu'aucune action ne pourra être initiée avant le paiement intégral du prix (clause solve et repete). Les compensations par d'éventuels crédits, même existants, vis-à-vis de Kronos, ne sont pas admises.

**09. GARANTIES ET RÉCLAMATIONS:** La qualité des matériaux céramiques est définie sur la base des normes internationales en vigueur qui s'appliquent à la classe de produit correspondante. La garantie de Kronos ne porte que sur la marchandise de premier choix fournie. Les réclamations relatives à des marchandises autres que celles de premier choix (choix B, commercial, 2e et 3e choix, secondaire, stock, etc.) ne seront pas prises en considération. Il ne sera donné aucun type de garantie sur ces matériaux, ni implicitement ni explicitement. Obligation est faite à l'Acquéreur de contrôler la qualité et la quantité de la marchandise rapidement après la livraison et, en cas de réclamation, d'en donner communication par écrit dans les 8 (huit) jours suivant la réception sous peine de déchéance de ses droits. Les matériaux considérés comme défectueux devront être laissés à la disposition de Kronos pour les contrôles jugés opportuns ; toute action ultérieure (restitution, réparation ou autre) devra avoir été préalablement autorisée par écrit par nos soins. Les réclamations et demandes d'intervention en garantie postérieures à la pose ne seront pas prises en considération si le défaut constaté est manifeste (ex. pièces ébréchées, défauts dimensionnels, différences de teinte, etc.). Il est précisé que le premier choix peut présenter des carreaux défectueux dans une limite de 5 % et que la teinte du matériau fourni peut différer de l'échantillon exposé, l'aspect de la céramique étant intrinsèquement variable. Les réclamations pour des défauts ou des vices cachés devront être adressées par écrit dans les 8 (huit) jours suivant leur découverte, et dans tous les cas dans l'année suivant la livraison, sous peine d'une déchéance de tout droit à la garantie et au remboursement. La réclamation devra mentionner, outre les références de facturation, une description précise du vice et un devis des coûts de réparation ou de modification du produit ; en l'absence de ces informations, la réclamation sera considérée comme nulle et non avenue. Si la réclamation se révèle infondée, l'Acquéreur devra rembourser à Kronos toutes les dépenses engagées dans le cadre des contrôles (déplacements, expertises, etc.) effectués. Les obligations de Kronos se limitent quoi qu'il en soit au remplacement des pièces défectueuses ou à leur réparation, à l'exclusion expresse de toute indemnisation ultérieure comme, à titre indicatif mais sans limitation aucune, pour des coûts de déplacement et de remise en place de mobilier, de matériel, de machines, etc., de manques à gagner du fait d'une interruption ou d'une suspension d'activité, de perturbations, de dommages indirects, etc. La présence de carreaux défectueux n'invalide pas la qualité de l'ensemble de la fourniture et n'entraîne aucune obligation de remplacement intégral. Les limites temporelles de la durée de garantie sont celles définies par le code civil italien.

**10. RÉSERVE DE PROPRIÉTÉ:** La vente de la marchandise s'effectue avec la clause de réserve de propriété. Par conséquent, si le paiement, du fait d'accords contractuels, est effectué en tout ou partie après la livraison, les produits livrés resteront la propriété de Kronos jusqu'au paiement intégral du prix.

**11. CESSION DU CONTRAT:** L'Acquéreur ne peut pas céder ses droits et obligations ni chacune des relations obligatoires nées du présent contrat sans l'accord écrit de Kronos : même dans ce cas, l'Acquéreur restera solidaire du cessionnaire vis-à-vis des obligations cédées.

**12. PROPRIÉTÉ INDUSTRIELLE ET DISTRIBUTION SÉLECTIVE – LIMITES À LA REVENTE:** Kronos est le titulaire et propriétaire légitime des exclusivités relatives aux marques, dessins et brevets d'invention. Pour garantir au mieux le respect des droits exclusifs de Kronos et les attentes du consommateur final en matière de caractéristiques qualitatives, Kronos gère la fourniture de ses produits par l'intermédiaire d'un système de distribution sélective. Les fournitures acquises auprès de Kronos et de ses points de vente sélectifs agréés sont destinées à une installation auprès de l'utilisateur final ; aucune autre forme de revente à des intermédiaires commerciaux autres que les utilisateurs finals n'est autorisée, sauf autorisation préalable de Kronos stipulée par écrit. Toute revente de marchandise en violation de ce principe doit donc être considérée comme interdite et assimilée à un usage illicite des droits de propriété industrielle et intellectuelle de Kronos, donnant droit à Kronos de demander la saisie de ladite marchandise auprès de son détenteur. Kronos se réserve le droit de poursuivre en justice quiconque serait impliqué dans des reventes non autorisées.

**13. LOI APPLICABLE ET JURIDICTION COMPÉTENTE:** Le contrat est régi par la loi italienne, y compris les Usages de branche de la Province de Modène. Le tribunal de Modène est exclusivement compétent pour tout litige relatif au contrat de fourniture entre Kronos et l'Acquéreur. Kronos garde néanmoins la faculté de saisir d'autres autorités judiciaires.

**14. SÛRETÉ DANS LA CHAÎNE LOGISTIQUE:** Kronos, afin d'assurer la sûreté de la logistique internationale, demande à ses CLIENTS le respect des standards des rapports contractuels pour assurer la sûreté des biens et leur conformité aux normes de la OEA (Opérateur Economique Agréé – Douanes) dans tous les pays de l'Union Européenne. Les CLIENTS de Kronos s'engagent à veiller à ce que la marchandise prise en charge ou livrée soit expédiée ou transportée, stockée, préparée et chargée dans des dépôts sûrs et sur des endroits de chargement et d'expédition sûrs, bien protégée contre possibles manipulations pas autorisée, et n'utilisant que du personnel autorisée et possiblement bien qualifié.

L'ensemble des articles de ce catalogue sont vendus exclusivement par paquets entiers.

## ALLGEMEINE GESCHÄFTSBEDINGUNGEN

- 01. VERTRAGSVORSCHRIFTEN:** Alle Verkaufsverträge zwischen Kronos und dem Käufer werden, vorbehaltlich schriftlich vereinbarter Änderungen oder Abweichungen, durch die vorliegenden allgemeinen Geschäftsbedingungen geregelt. Die Abänderungen der allgemeinen Geschäftsbedingungen, die Angebote, die von unseren Handelsagenten oder anderen Vermittlern gewährten Gutschriften oder Nachlässe haben nur Gültigkeit, sofern sie von unserem Sitz schriftlich angenommen wurden.
- 02. GEGENSTAND DER LIEFERUNG:** Die Lieferung umfasst nur die Materialien, Leistungen und Mengen, die in unserer Auftragsbestätigung angegeben sind. Der Text der Auftragsbestätigung von Kronos hat auf jeden Fall Vorrang gegenüber dem Text, der von dem eventuellen Angebot oder der Bestellung abweichen sollte.
- 03. AUFTRAGSBESTÄTIGUNG:** Falls in der Auftragsbestätigung von Kronos Unterschiede der darin aufgelisteten einzelnen Elemente gegenüber den Vereinbarungen oder Bestellungen bestehen, gilt die Bestätigung in ihrer abgefassten Form als angenommen, sofern der Käufer sie nicht binnen 7 Tagen nach Erhalt unserer Bestätigung schriftlich beanstandet hat.
- 04. PREISE:** Die auf den Kronos-Preislisten angeführten Preise sind unverbindlich: Demzufolge behalten wir uns das Recht vor, sie vor der Auftragsannahme abzuändern. Sofern keine anderen schriftlichen Vereinbarungen vorliegen, verstehen sich die für jeden Einzelverkauf vereinbarten Preise netto, gegen bar, Lieferung ab Werk. Sollten zwischen dem Bestelldatum (auch nach der Auftragsbestätigung) und dem Lieferdatum ein Kostenanstieg der Rohstoffe, Löhne, Brennstoffe, Herstellung, des Transports, usw. auftreten, kann Kronos den vereinbarten Preis erhöhen, indem er dies dem Käufer schriftlich, auch mittels Fax oder E-Mail, mitteilt. Sollte besagter Preis jedoch den bei der Bestellung vereinbarten Preis um 20% übersteigen, hat der Käufer die Möglichkeit, vom Vertrag zurückzutreten, indem er uns binnen der bindenden Frist von 10 Tagen nach Erhalt der Mitteilung bez. des Preisanstiegs seinen Willen per Einschreiben meldet. In Ermangelung dessen gilt der neue Preis als angenommen.
- 05. LIEFERUNGEN:** Der Verkauf ist immer ab Kronos-Werk. Der Warentransport erfolgt auf Risiko und Gefahr des Käufers. Unsere Haftung endet mit der Übergabe an den Frachtführer, an den der Käufer nach angemessener Überprüfung eventuelle Beanstandungen zu richten hat. Auslandslieferungen auf dem See- oder Landweg werden auf der Grundlage der von Fall zu Fall gewählten Bedingungen vorgenommen, die in den von der Internationalen Handelskammer gebilligten "Incoterms" aufgeführt sind.
- 06. LIEFERBEDINGUNGEN:** Die Lieferbedingungen sind hinweisend: Eventuelle Lieferverzögerungen, Unterbrechungen, komplette oder partielle Einstellungen der Lieferungen berechtigen weder zu einer Entschädigung noch zu einem Schadensersatz, sofern keine anderen schriftlichen Vereinbarungen vorliegen.
- 07. MUSTER:** Die auf den veranschaulichenden Dokumenten von Kronos abgebildeten Angaben sowie die Eigenschaften der vom Letztgenannten dem Käufer zugesandten Muster und Modelle sind als ungefähre Angaben zu verstehen. Es handelt sich nicht um verbindliche Angaben, sofern sie nicht ausdrücklich als derartig im Angebot oder in der schriftlichen Annahme von Kronos erwähnt wurden.
- 08. ZAHLUNGEN:** Die Rechnungen von Kronos werden am Tag der Lieferung ausgestellt und sind netto innerhalb der vereinbarten Frist zu bezahlen. Jegliche Zahlungsverpflichtung zwischen den Vertragsparteien ist am Kronos-Sitz zu erfüllen. Eventuell an Handelsagenten, Vertreter oder Geschäftshelfer von Kronos geleistete Zahlungen verstehen sich so lange als nicht vorgenommen, bis die bezüglichen Summen bei Kronos eingehen. Die Bezahlung hat, vorbehaltlich anderer schriftlicher Vereinbarungen, unmittelbar nach der Lieferung beim Bankinstitut zu erfolgen, das von Kronos angegeben wurde. Jegliche Zahlungsverzögerungen oder –unregelmäßigkeiten geben Kronos das Recht, die Lieferungen einzustellen oder die laufenden Verträge aufzulösen, auch wenn sie sich nicht auf die zutreffenden Zahlungen beziehen, sowie das Recht auf den Ersatz etwaiger Schäden. Kronos hat auf jeden Fall Anspruch auf die Verzugszinsen – ab der Zahlungsfrist und ohne die Notwendigkeit einer Inverzugsetzung – in der laut Gesetzesverordnung Nr. 231 vom 09.10.2002 vorgesehenen Höhe. Im Falle einer auch nur teilweisen Nichterfüllung laufen die Verzugszinsen für den nicht bezahlten Betrag ab dem Tag der Lieferung, auch wenn als Zahlungsfrist ein späteres Datum vereinbart wurde. Keine Beanstandung oder Streitigkeit bezüglich der Warenqualität, Mängel oder Defekte, oder jedes anderen Vertragsaspekts ist wirksam und kann in Betracht gezogen werden, und gleichermaßen kann keine Klage eingeleitet werden, sofern keine vollständige Bezahlung des Preises erfolgte (Klausel solve et repete). Die Verrechnung mit eventuell entstandenen Forderungen gegen Kronos ist unzulässig.
- 09. GARANTIE UND BEANSTANDUNGEN:** Die Qualität des Keramikmaterials wird auf der Grundlage der geltenden internationalen Rechtsvorschriften festgelegt, die auf die jeweilige Produktklasse Anwendung finden. Kronos garantiert nur die als erste Wahl gelieferte Ware. Beanstandung über die nicht zur ersten Klasse gehörenden Waren (B-Wahl, kommerzielle, zweite, dritte, zweitrangige Wahl, Lagerbestand, usw.) bleiben unberücksichtigt, wobei auf diese Materialien keine Art von Garantie, weder implizit noch explizit, erteilt wird. Der Käufer ist verpflichtet, die Ware binnen kurzer Zeit ab Erhalt auf Qualität und Quantität zu prüfen und bei einer Beanstandung diese schriftlich binnen spätestens 8 (acht) Tagen ab Warenerhalt mitzuteilen, da andernfalls jeglicher Anspruch verwirkt. Die als fehlerhaft betrachtete Ware ist Kronos für seine als angemessen betrachteten Überprüfungen verfügbar zu halten; jeder weitere Vorgang (Rückerstattung, Reparatur oder sonstiges) bedarf unserer vorherigen schriftlichen Genehmigung. Beanstandungen und Beantragungen von Garantieeingriffen nach erfolgter Verlegung werden nicht in Betracht gezogen, sofern sich der beanstandete Defekt als offensichtlich erweisen sollte (zum Beispiel Schlagstellen, Maßunterschiede, Tonabweichungen, usw.). Es wird präzisiert, dass die erste Wahl bis zu 5% fehlerhafte Fliesen enthalten und die Farbgebung des gelieferten Materials vom ausgestellten Muster abweichen darf, da Keramik von Natur aus unterschiedlich aussehen kann. Auf verborgene Fehler oder Mängel bezogene Beanstandungen sind schriftlich binnen 8 (acht) Tagen ab ihrer Feststellung und auf jeden Fall binnen einem Jahr ab Lieferung zu formalisieren, da andernfalls die Verwirkung jeglichen Anspruchs auf Garantie und Entschädigung droht. Die Mitteilung muss neben den Rechnungsdaten eine genaue Beschreibung des Mangels und einen Kostenvoranschlag der Reparatur oder Änderung des Produkts enthalten; in Ermangelung dieser Angaben wird die Beanstandung als nichtig betrachtet. Sollte sich die Beanstandung als unbegründet erweisen, muss der Käufer Kronos alle für die Überprüfung aufgebrauchten Kosten (Reisen, Sachverständigengutachten, usw.) vergüten. Die Pflicht von Kronos beschränkt sich auf jeden Fall allein auf den Ersatz nur der fehlerhaften Teile oder auf die Reparatur, mit ausdrücklichem Ausschluss anderweitiger Entschädigungen wie beispielsweise - aber nicht ausschließlich - für Kosten zur Beseitigung und Wiederherichtung von Möbeln, Ausrüstungen, Maschinen, usw., entgangene Gewinne wegen Tätigkeitsunterbrechung oder –einstellung, Unannehmlichkeiten, Folgeschäden, usw. Das Vorhandensein fehlerhafter Fliesen setzt weder die Güte der Gesamtlieferung herab noch ist damit die Pflicht des Gesamtersatzes verbunden. Die zeitlichen Beschränkungen der Garantiedauer sind laut dem italienischen Bürgerlichen Gesetzbuch festgelegt.
- 10. EIGENTUMSVORBEHALT:** Der Warenverkauf erfolgt mit der Klausel des Eigentumsvorbehalts; deshalb bleiben die gelieferten Produkte, sofern deren Bezahlung laut Vertragsvereinbarungen gänzlich oder teilweise nach der Lieferung zu erfolgen hat, bis zur vollkommenen Bezahlung des Preises Eigentum von Kronos.
- 11. VERTRAGSABTRETUNG:** Der Käufer darf seine Stellung im Vertrag oder in einzelnen, aus diesem herrührenden obligatorischen Verhältnissen ohne schriftliche Einwilligung von Kronos nicht abtreten: Auch in diesem Fall haftet der Käufer weiterhin mit dem Unternehmer solidarisch für die abgetretenen Verpflichtungen.
- 12. GEWERBLICHES EIGENTUM UND SELEKTIVER VERTRIEB – BESCHRÄNKUNGEN BEIM WEITERVERKAUF:** Kronos ist Inhaber und rechtmäßiger Besitzer von Alleinrechten bezüglich Marken, Zeichnungen und Erfinderpapenten. Um die Beachtung der Alleinrechte von Kronos und die Ansprüche der Endkunden im Hinblick auf die erwarteten Güteeigenschaften auf ein Höchstmaß gewährleisten zu können, liefert Kronos seine Produkte im Rahmen eines selektiven Vertriebssystems. Die von Kronos und seinen dazu befugten selektiven Verkaufsstellen gelieferten Produkte sind für die Verlegung beim Endbenutzer bestimmt. Eine andere Form des Weiterverkaufs an weitere Handelsvermittler, die nicht den Endbenutzern entsprechen, ist ohne vorherige schriftliche Einwilligung von Kronos unzulässig. Die Ware, dessen Weiterverkauf trotz dieses Verbots erfolgte, ist somit als unzulässig zu betrachten und einem unerlaubten Gebrauch der gewerblichen und geistigen Eigentumsrechte von Kronos gleichzusetzen, wobei Kronos berechtigt ist, die Beschlagnahme bei jedem Besitzer zu beantragen. Kronos behält sich das Recht vor, gegen all diejenigen gerichtlich vorzugehen, die an einem unbefugten Weiterverkauf beteiligt sind.
- 13. VERTRAGSGESETZ – ZUSTÄNDIGES GERICHT:** Der Vertrag ist durch das italienische Gesetz, einschließlich der Branchengewohnheiten der Provinz Modena, geregelt. Für jegliche aus dem Liefervertrag herrührende Streitigkeit sowohl seitens Kronos als auch des Käufers ist allein das Gericht Modena zuständig. Nur Kronos kann eine andere zuständige Gerichtsbehörde anrufen.
- 14. SICHERHEIT DES LOGISTISCHEN ABLAUFES:** Um die Sicherheit des internationalen Logistikablaufs zu gewährleisten, verlangt Kronos von seinen KUNDEN, dass sie sich an die Standardanforderungen halten, um die Sicherheit von Waren in vertraglichen Beziehungen zu gewährleisten und um die Einhaltung mit dem AEO - Authorized Economic Operator – Zollwesen, in der gesamten Europäischen Gemeinschaft sicherzustellen. Die Kronos-KUNDEN verpflichten sich, zu gewährleisten, dass die übernommenen oder gelieferten Waren in sicherem Gelände und in sicheren Lade- und Versandbehältern versandt, transportiert, gelagert oder verladen, und vor unbefugter Manipulation geschützt werden, wobei nur autorisiertes und entsprechend ausgebildetes Personal eingesetzt werden darf.

## CONDICIONES GENERALES DE VENTA

**01. NORMATIVA CONTRACTUAL:** Salvo modificaciones o derogaciones acordadas por escrito, las presentes condiciones generales disciplinan todos los contratos de venta entre Kronos y el Comprador. Las variaciones de las condiciones generales de venta, ofertas, bonificaciones o descuentos, acordados por nuestros agentes o por otros intermediarios, solo son válidas previa aceptación escrita de nuestra empresa.

**02. OBJETO DEL SUMINISTRO:** El suministro comprende solamente los materiales, prestaciones y cantidades especificados en nuestra confirmación de pedido. El texto de la confirmación de pedido de Kronos prevalecerá siempre sobre el texto de cualquier oferta o pedido.

**03. CONFIRMACIÓN DE PEDIDO:** Si la confirmación de pedido de Kronos difiere de los acuerdos o pedidos en cuanto a los elementos que la componen, el Comprador podrá enviar la correspondiente reclamación por escrito en el plazo de 7 días a partir de la recepción de nuestra confirmación; en caso contrario, esta se considerará aceptada tal como ha sido redactada. Si el lugar de entrega de la mercancía es diferente del indicado en la confirmación de pedido, el cliente se compromete a comunicarlo a Kronos Ceramiche S.p.A. antes del día previsto para el retiro en la sede de esta última. Dicha comunicación se debe realizar por correo, telefax o correo electrónico, y debe incluir los datos identificativos del destinatario de los bienes y del lugar en el que se debe realizar la entrega. En defecto de esta comunicación, el destino indicado originalmente se considera tácitamente confirmado.

**04. PRECIOS:** Los precios indicados en las listas Kronos no son vinculantes: en consecuencia, nos reservamos el derecho a modificarlos antes de la aceptación del pedido.

Los precios acordados para cada venta son netos, con pago en efectivo y entrega franco fábrica, salvo acuerdo escrito en contrario. Si entre la fecha del pedido (incluso después de la confirmación de pedido) y la fecha de entrega se verificaran aumentos en los costes de las materias primas, mano de obra, combustibles, gastos de producción, transporte, etc., Kronos podrá aumentar el precio acordado, comunicándolo por escrito al Comprador (también por telefax o correo electrónico). Si dicho precio supera en un 20 % el acordado en el momento del pedido, el Comprador podrá rescindir el contrato, comunicando su decisión por correo certificado en el plazo perentorio de 10 días a partir de la recepción de la notificación de aumento de precio. En su defecto, el nuevo precio se considerará aceptado.

**05. ENTREGAS:** La venta siempre es franco fábrica Kronos. La mercancía viaja a cargo y riesgo del Comprador. Toda responsabilidad nuestra cesa en el momento de la entrega al transportista, ante el cual, una vez realizados los controles necesarios, el Comprador deberá plantear sus eventuales reclamaciones. Los envíos al exterior, por vía marítima o terrestre, se realizan según las condiciones establecidas en cada caso, indicadas en los "Incoterms" aprobados por la Cámara de Comercio Internacional.

**06. PLAZOS DE ENTREGA:** Los plazos de entrega tienen carácter indicativo: eventuales retrasos de las entregas, interrupciones y suspensiones totales o parciales de los suministros no darán derecho a indemnizaciones o resarcimientos de daños, salvo acuerdo escrito en contrario.

**07. MUESTRAS:** Los datos indicados en los documentos ilustrativos de Kronos, así como las características de las muestras y modelos enviados por este último al Comprador, tienen carácter indicativo. Estos datos no tienen valor vinculante, excepto en la medida en que hayan sido expresamente mencionados como tales en la oferta o en la aceptación escrita de Kronos.

**08. PAGOS:** Las facturas de Kronos se emiten el día del suministro y su importe neto debe ser pagado en el plazo acordado. Todas las obligaciones de pago entre las partes contrayentes se deben cumplir en la sede de Kronos. Eventuales pagos efectuados a agentes, representantes o auxiliares de comercio de Kronos no se considerarán realizados hasta el momento en que las sumas correspondientes sean acreditadas a Kronos. Salvo acuerdo escrito en contrario, el pago se deberá realizar en el momento de la entrega, en el banco indicado por Kronos. Cualquier retraso o irregularidad en el pago da a Kronos derecho a suspender los suministros o a resolver los contratos en curso, incluso si no corresponden a los pagos incumplidos, así como al resarcimiento de los eventuales daños. En todo caso, a partir del vencimiento del pago y sin necesidad de declaración de mora, Kronos tiene derecho a percibir los intereses de mora en la medida prevista por el decreto legislativo N.º 231 del 09/10/2002. En caso de incumplimiento, incluso parcial, los intereses de mora sobre el importe no pagado se calcularán a partir del día de la entrega, incluso si el plazo de pago había sido acordado en una fecha posterior. Ninguna reclamación o controversia inherente a la calidad de la mercancía, imperfecciones, defectos o cualquier otro aspecto del contrato será eficaz ni podrá ser tomada en consideración, y ninguna acción podrá ser iniciada, hasta el pago integral del precio (cláusula solve et repete). No se admiten compensaciones con eventuales créditos de cualquier naturaleza ante Kronos.

**09. GARANTÍAS Y RECLAMACIONES:** La calidad del material cerámico se define sobre la base de las normas internacionales aplicables a la clase de producto correspondiente. Kronos garantiza solo la mercancía de primera calidad. Reclamaciones relativas a mercancía de otras calidades (calidad B, comercial, segunda, tercera, secundaria, existencias, etc.) no serán tomadas en consideración, ni se dará ningún tipo de garantía —implícita o explícita— sobre dicho material. El Comprador tiene la obligación de verificar la calidad y cantidad de la mercancía en breve plazo después de su recepción y, en caso de reclamaciones, de comunicarlo por escrito en el plazo de 8 (ocho) días a partir de la recepción, bajo pena de caducidad de cualquier derecho. El material considerado defectuoso deberá ser puesto a disposición de Kronos para los controles que considere necesarios; cualquier otra acción (restitución, reparación, etc.) deberá ser autorizada previamente por Kronos en forma escrita. Las reclamaciones y solicitudes de intervención en garantía después de la colocación no serán consideradas en el caso de que el defecto reclamado resulte manifiesto (por ejemplo: desportilladuras, defectos dimensionales, diferencias de tono, etc.). Se señala que la primera calidad puede contener hasta un 5 % de baldosas defectuosas y que el tono del material suministrado puede diferir de la muestra expuesta, dado que la cerámica es intrínsecamente variable en su aspecto. Las reclamaciones por defectos o imperfecciones ocultos deberán ser formalizados por escrito en el plazo de 8 (ocho) días a partir de su descubrimiento y, en todo caso, en el plazo de un año a partir de la entrega, bajo pena de caducidad de cualquier derecho a garantía y resarcimiento. Además de los datos de facturación, la comunicación deberá contener una precisa descripción del defecto y un presupuesto de los costes de reparación o modificación del producto; en ausencia de estos datos, la reclamación se considerará nula. Si la reclamación resulta infundada, el Comprador deberá resarcir a Kronos todos los gastos realizados para la verificación (viajes, peritajes, etc.). En todo caso, la obligación de Kronos se limita a la sustitución de las piezas defectuosas o a la reparación, quedando expresamente excluidas otras indemnizaciones, como - a título indicativo, no limitativo - costes de desplazamiento y recolocación de mobiliario, equipo, maquinaria, etc., lucro cesante debido a la interrupción o suspensión de actividades, molestias, daños indirectos, etc. La presencia de baldosas defectuosas no afecta la calidad del suministro en su conjunto, ni comporta la obligación de su sustitución integral. La duración de la garantía es la establecida por el código civil italiano.

**10. RESERVA DE DOMINIO:** La venta de la mercancía se realiza con cláusula de reserva de dominio; por lo tanto, si los acuerdos contractuales prevén que el pago debe ser realizado - total o parcialmente - después de la entrega, los productos entregados seguirán siendo propiedad de Kronos hasta el pago integral del precio.

**11. CESIÓN DEL CONTRATO:** El Comprador no puede ceder su posición en el contrato ni en relaciones obligatorias eventualmente derivadas del mismo, sin la aceptación escrita de Kronos. En tal caso, el Comprador seguirá siendo responsable solidariamente con el cesionario de las obligaciones cedidas.

**12. PROPIEDAD INDUSTRIAL Y DISTRIBUCIÓN SELECTIVA - LÍMITES DE REVENTA:** Kronos es titular y legítimo poseedor de la exclusividad de las marcas, dibujos y patentes de invención. Con el objetivo de garantizar adecuadamente el respeto de los derechos exclusivos de Kronos, así como las expectativas de los consumidores finales en cuanto a las características cualitativas previstas, Kronos controla la distribución de sus productos mediante un sistema de distribución selectiva. Los suministros enviados por Kronos y por los puntos de venta autorizados están destinados a la instalación por parte del usuario final: no está permitida ninguna forma de reventa a otros intermediarios comerciales diferentes de los usuarios finales, salvo previa autorización escrita de Kronos. Por lo tanto, la reventa de mercancía que viole esta prohibición se debe considerar no permitida y equiparada a un uso ilícito de los derechos de propiedad industrial e intelectual de Kronos, con derecho de esta última a solicitar la incautación de la mercancía a cualquier poseedor. Kronos se reserva el derecho a proceder judicialmente contra todo aquel que esté involucrado en reventas no autorizadas.

**13. LEY DEL CONTRATO - TRIBUNAL COMPETENTE:** El contrato está disciplinado por la ley italiana, incluidos los Usos del Sector de la Provincia de Módena. Para cualquier controversia derivada del contrato de suministro, tanto por parte de Kronos como por parte del Comprador, tiene competencia exclusiva el Tribunal de Módena. No obstante, es facultad de Kronos recurrir a autoridades judiciales diferentes.

**14. SEGURIDAD DE LA CADENA LOGÍSTICA:** Kronos, con la finalidad de garantizar la seguridad de la cadena logística internacional, les ruega a sus propios CLIENTES el respeto de unos requisitos estándar para garantizar la seguridad de las mercancías objeto de relaciones contractuales y para garantizar su conformidad con la normativa AEO - Operador Económico Autorizado - Aduanas, en toda la Comunidad Europea. Los CLIENTES de Kronos se comprometen a garantizar que las mercancías recogidas en consigna o consignadas sean expedidas o transportadas, almacenadas, preparadas o cargadas en locales seguros y en zonas de carga y expedición seguras, protegidas contra manipulaciones no autorizadas, utilizando solo personal interno autorizado y oportunamente instruido.
